

Community Options – A Society for Children and Families

Board of Directors - New Volunteer Members Required

Community Options is a society for families that has been active in the Edmonton area since 1977. As a non-profit charitable organization, Community Options has a 32-year history of providing a high standard of care and services to children and their families. We provide inclusive preschool and school age child care, programs for children with disabilities including food and nutrition, community development, mentoring and early intervention programs in Edmonton and area with three programs operating in the Inglewood Community which lies in the heart of the city.

WE ARE SEEKING:

Caring, committed, community-minded members to guide and govern the Society in its delivery of services to children and families. The Board of Directors uses a Policy Governance® model based on development of policies and principles. While not directly involved with the daily operation of programs and services, the Board is responsible for advocating on issues affecting children and families. The Board sets organizational policy and future directions in support of the Society's mission: Strong Families for a Strong Community.

WE NEED YOUR HELP TO ACCOMPLISH THIS MISSION:

The Board Member positions are volunteer positions, requiring a commitment to 14 meetings per year, including 2 full-day planning sessions. Child care and other expenses are reimbursed. Interested individuals have the opportunity to observe Board operations before making a firm commitment. A resume and references will be requested.
